4 BACKGROUND TO DISCLOSURE REGIME

- 4.1 In accordance with the Market Abuse Regulation and the AIM Rules, the Company is required to disclose in the prescribed manner, as soon as possible, any inside information directly concerning the Company or its shares or other financial instruments. The Company is permitted to delay disclosure of inside information in limited circumstances where the following conditions are met:

- (d) if made public, would be likely to have a significant effect on the price of those securities or certain related investments.

4.3 The Company is also subject to strict requirements limiting access to inside information to those who 'need to know' within the Company and its immediate advisers and requiring the maintenance of insider lists.

4.4 In addition, the Company has a range of other announcement obligations under the Market Abuse Regulation and the AIM Rules, including in relation to:

- (a) dealings by directors and other persons discharging managerial responsibility;

5.2 Further, the Committee has been established to carry the following duties on an ongoing basis:

- (a) prepare and keep under periodic review the procedures, systems and controls for the identification, treatment and disclosure of inside information and for complying with all of the Company's disclosure and reporting obligations under the Market Abuse Regulation and the AIM Rules ("**Disclosure Procedures**"), including the preparation of a disclosure policy ("**Disclosure Policy**");

- (c) monitor compliance with the Disclosure Procedures and make recommendations to the Board on changes to the Disclosure Procedures;

 - (i) assessing and deciding whether information constitutes inside information to determine whether an announcement is required to be made to the market;
 - (ii) assessing relevant and substantive market rumours or speculation concerning the Company and monitoring the Company's share price and making recommendations as to what response, if any, should be made;

- 6.2 The Committee will submit the results of such periodic reviews to the Board. Any changes that it considers necessary should be put before the Board for approval.

7 AUTHORITIES

- 7.1 The Committee is authorised by the Board to obtain external legal or other professional advice as it sees fit at the Company's expense (within any budgetary constraints imposed by the Board) and, in particular, will consult with the Company's corporate brokers and legal advisers, where appropriate, to:
